Louisiana: Various School Meal Pickup Programs

Description of Program and Relief

The State of Louisiana Department of Education published a comprehensive list of schools offering meal programs for students. The list of schools that have notified the State of Louisiana that they will be offering meal programs to children during the COVID-19 outbreak, is available at https://cnp.doe.louisiana.gov/ServingSites/. To view the hours when meal programs are available, click on the individual school link.

Government or Lead Agency

Louisiana Department of Education
