California: Disaster Relief Loan Guarantee Program

Description of Program and Relief

The Disaster Relief Loan Guarantee Program predates COVID-19, but can be used by California-area small businesses to obtain disaster-related relief during this time. The program provides loan guarantees and direct loans to California-area small businesses with 1 to 750 employees, and to eligible nonprofits. Among other things, funds can be used for gap financing and disaster relief.

Government or Lead Agency

California Small Business Finance Center

Dates Available

Ongoing
