City of San Francisco: Emergency Child & Youth Care for Health Care Workers

Description of Program and Relief

The San Francisco Recreation and Parks Department and the San Francisco Public Library will operate libraries and indoor recreation facilities as emergency care facilities for children of parents on the front lines of the COVID-19 outbreak and low-income families. Three meals per day will be provided to participants.

Government or Lead Agency

City of San Francisco, Recreation and Parks Department

Dates Available

March 16, 2020 to March 31, 2020

Eligibility Requirements/Restrictions

Registration for Emergency Child & Youth Care requires an official invitation that was sent to eligible individuals on Sunday, March 15. Those currently eligible include only the families of San Francisco’s COVID-19 first responders, which include San Francisco-based hospital staff, Department of Public Health employees, and activated disaster service workers.

If you believe that you meet the qualifications for participation and you did not receive an invitation, the City asks eligible individuals to complete the form available through this link and the City will do its best to get back to you: https://fs18.formsite.com/sfrpsurvey2/eligible/index.html. If you are a health care worker or disaster services worker, you should also contact your employer.

Registration is not currently open to the public.

Application Deadlines (If Applicable)

N/A
