Mobile Covid-19 Testing Program In Westchester, Nassau, Suffolk, and Rockland Counties And Staten Island

Description of Program and Relief

Westchester County, Nassau County, Suffolk County, Rockland County, and Staten Island residents can get tested for COVID-19 at drive-thru testing facilities.

- The Westchester County facility is in Glen Island Park in New Rochelle;
- The Nassau County facility is in Jones Beach State Park in Wantagh;
- The Suffolk County facility is in Stony Brook University in Brookhaven;
- The Rockland County facility is in the Anthony Wayne Recreation Area off of the Palisades Interstate Parkway off of Exit 17; and
- The Staten Island facility is in the parking lot of 777 Seaview Avenue.

Residents should call 888-364-3065 to make an appointment and then drive to the facility to get tested. Participants should expect to spend 15 minutes at the facility and will not need to leave their cars. Participants will receive a call with the test results. Facilities are open daily from 7 A.M. to 7 P.M.

Government or Lead Agency

New York State Office of the Governor and the Department of Health.

Dates Available

As of March 19 all facilities are open indefinitely with the potential for expansion.

Eligibility Requirements/Restrictions

Participants must be residents of the facility’s county, with priority given to residents of especially vulnerable populations including the elderly, people with underlying diseases and compromised immune systems, and those who have come within close proximity of a person known to have tested positive.

Contact and Additional Information

Call 888-364-3065 to schedule an appointment and for more information on operations.
