Connecticut: Health Insurance Through AccessHealthCT

Description of Program and Relief

Through the already-existing AccessHealthCT program, Connecticut residents that become unemployed due to the effects of COVID-19 and as a result lose essential minimum insurance coverage may participate in a special open enrollment period to obtain health insurance. This program is also available to individuals whose COBRA insurance expires.

Government or Lead Agency

Connecticut Office of Health Strategy

Dates Available

Effective immediately.

Eligibility Requirements/Restrictions

Must be a Connecticut resident. Available to those who received health insurance through their employer but became unemployed and lost coverage. Also available to those whose COBRA expired. Candidates applying as a result of the special open enrollment period for COVID-19 must call (855) 909-2428 to enroll.

Application Deadlines (If Applicable)

Enrollment must generally occur within 60 days of a qualifying event (i.e., unemployment or the expiration of COBRA).
